Welcome Week

Welcome Week took place the second week of school. The grade nine students took part in fun, but sometimes embarrassing games. The teachers took part in the challenges as well. Some of the challenges were pushing pennies, the animal game and many more. Welcome Week ended with a spirit drive and dance put on by the cheerleaders. We are looking forward to future Homeroom Challenges.

FANS!

BOMBERFEST

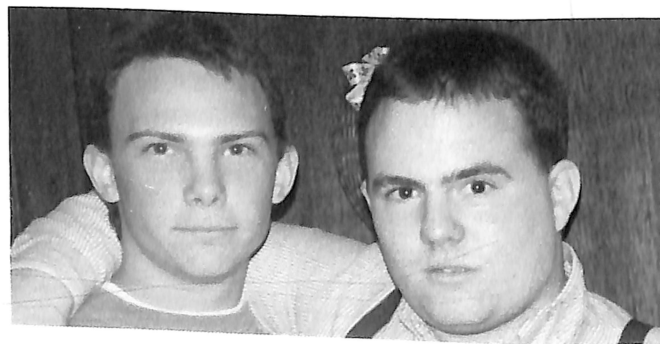

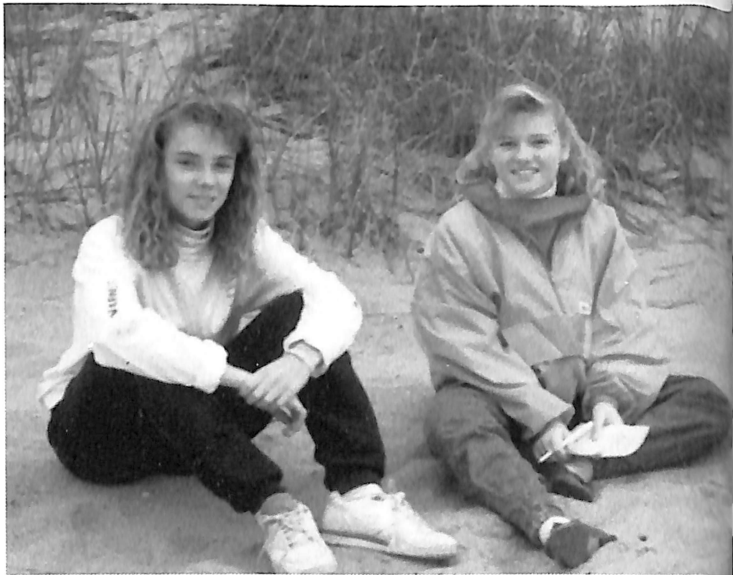

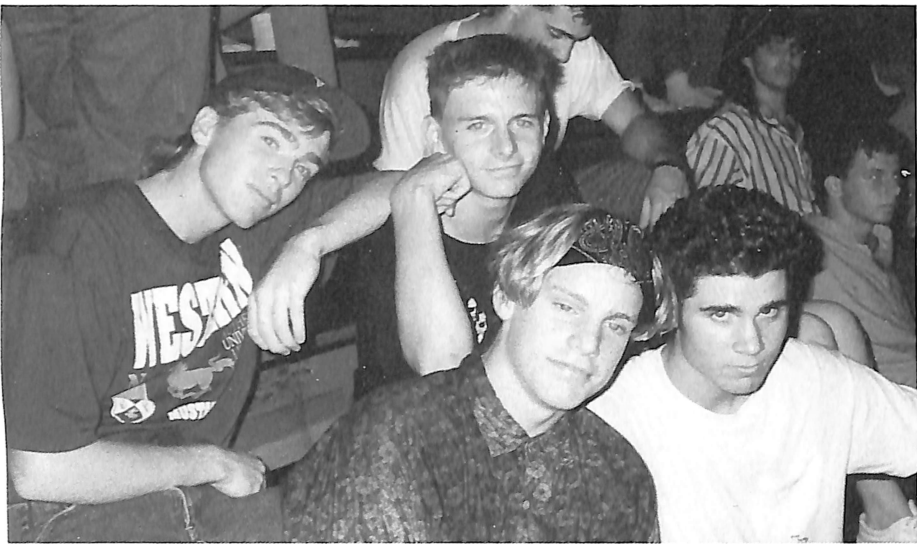

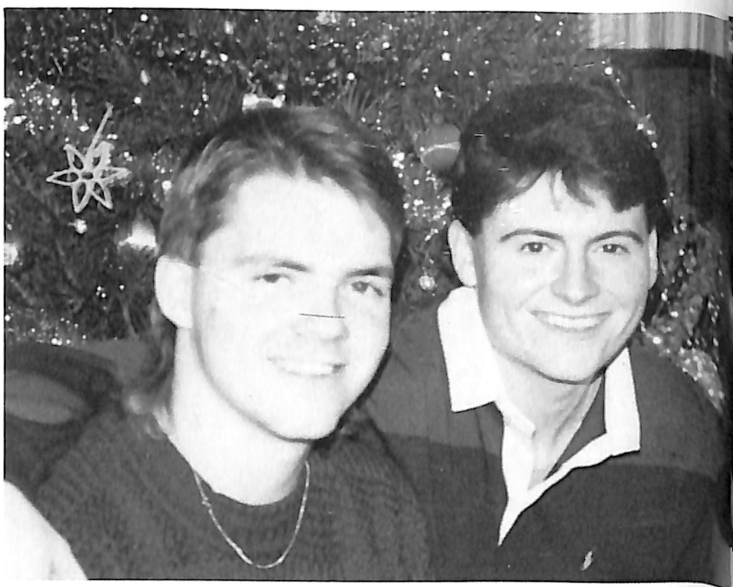

The excitement started at high noon, with an exuberating pep rally. The crowd was pumped as they filled the heart of Sarnia with cheers of the Oh So well known Bomber name. The game was played with pride, and the only loss was on the score board.

The day continued with the most excellent German meal and finished with the gyrating movements of students. The music pounded, and bodies moved.

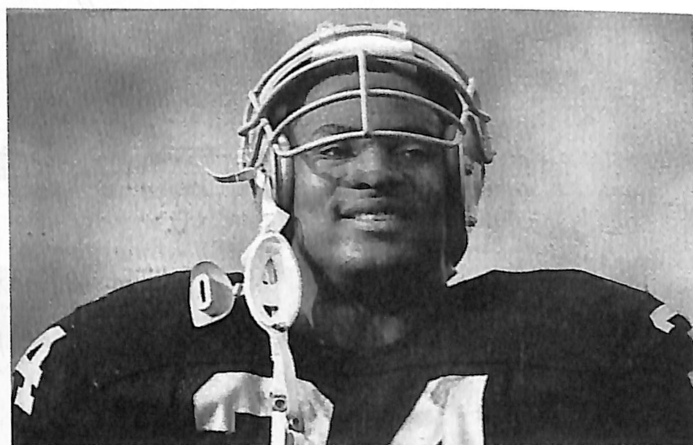

The SCITS Bomberfest was a huge success thanks to the hard work of the staff and students!!!

Mohawks at Oka, Quebec clash violently with Canadian Gov'n't.

Bo Jackson is black and blue as a Royal Raider.

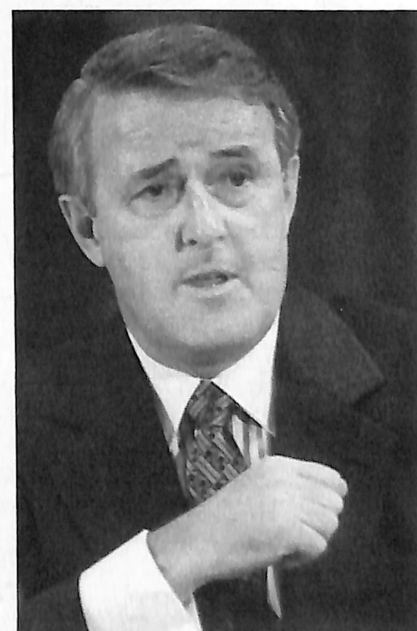

Bart Simpson took T.V. by storm while Pretty Woman and Ghost ruled the silver screen.

Saddam Hussein stood firmly, but not on his own ground.

Forces have been gathering in Saudi Arabia since Hussein first moved into Kuwait. The UN has set midnight January 15, '91 as the deadline before the world fights back. Until then no one knows if World War III could begin.

How much can Canada take?

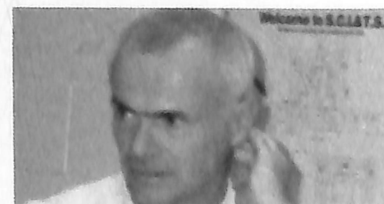

Lambton County Secondary School Teachers walked the picket line from Oct. 9 - Oct. 23, 1990 with much support from the public.

Witches, skeletons, and even a few hippies showed up for the Student Legislature's post-Halloween dance. Although everyone didn't dress up, there was a lot of participation and rewards were given for the top 3 costumes. The winners were a Mummy (Julie Potter), a Skeleton (Leslie Gibson) and a Tin Man (Holly Skinner). While dancing to the "Monster Mash" a great time was had by all.

THE STORM

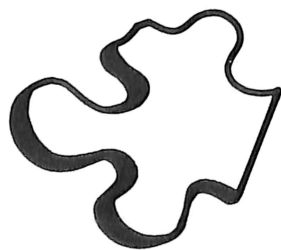

The storm raging outside tonight
Reminds me of us.
First a beautiful sunny day,
Our happy times, our hopeful times
Then, out of no where
Rain sprinkled, then poured
Drowning our spirits
Causing us to be edgy
As we waited for the storm.
The first flashes of lightning - that fire in your eyes
Scared me and showed me
That worse things were to come.
Loud crashes of thunder echoed in my ears
The accusations and lies
The insecurities and pain, out in the open
Walking with our faces into the wind,
Unsheltered as the storm destroyed
Our faith in each other
And changed our thoughts about the future.
The constant rain - taunting us
Testing us to make it through together.
But we couldn't endure it
The storm seemed never ending
Finally it stopped, the sun shone and the sky was blue
But I turned around and you were gone too.

The Nightmare

Running but not looking back
Shades of purple and black everywhere.
Hearing a man's mean voice
Calling out to you, saying
I'm going to get you sooner or later.
Looking for a way out
Screaming for loved ones.

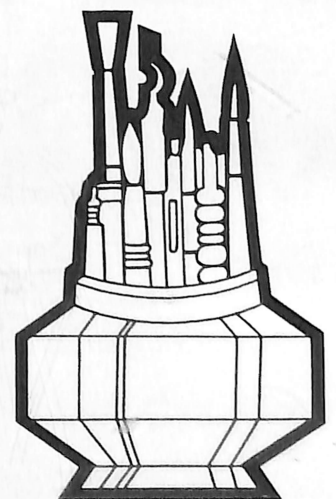

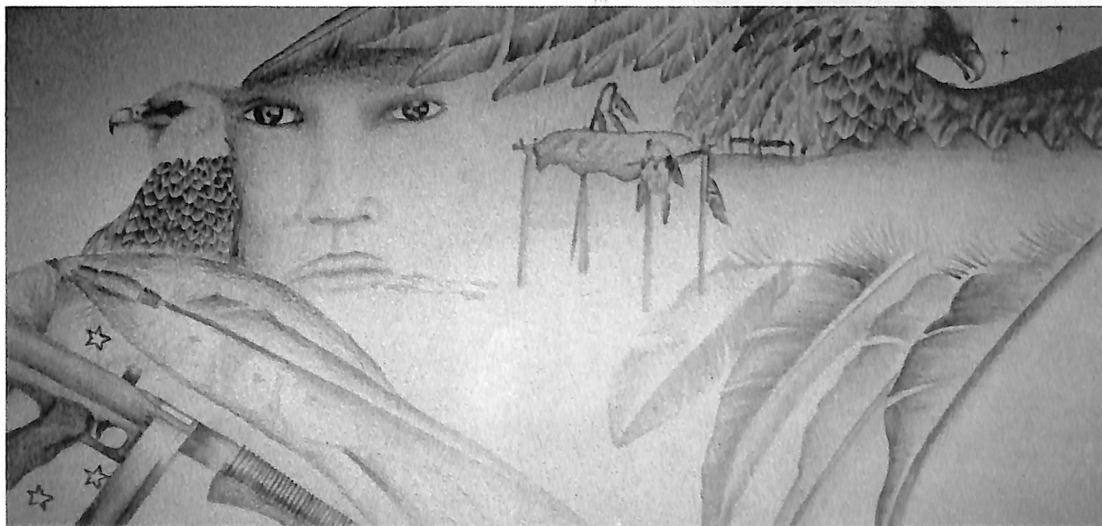

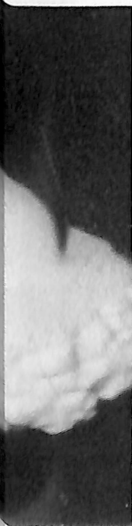

Started to cry,
A little girl in pain
Wishing for a way out.
He's scaring her
He's about to reach out.

Wake up in the night shivering
To find you're home in bed.
Safety at last. Never again!
It was only a dream.

Our French students got ready for a fun filled trip.

Surprise!!!

Wow! We finally made it.

Everyone's ready for night skiing.

Scenery was breathtaking in Quebec.

Some of the French students of SCI were fortunate to participate in a ski trip to Quebec City, Quebec. From February 20-24, 1991 the SCI students took the big city by storm. The group stayed at Chateau Frontenac and did their skiing at Stoneham a half hour from the hotel, which offered a choice of downhill or cross-country skiing. A good time was had by all.

Good evening. Let me start by saying congratulations we did it!! It is a great honour and privilege to stand before you today to represent such a fantastic graduating class. This day could not have been possible without the many wonderful people who have helped us through these past four or five years of our lives. I would like to begin by saying thank-you to the very important people who worked behind the scenes to make our years here some of the very best. The cafeteria staff who never succeeded in poisoning us but who always had something interesting for us to eat. For the custodians who have kept this historical building beautiful and made us proud to be named the cleanest school in the county for the past several years. Next I would like to thank the principal administration and our guidance counsellors for without them days such as this would never have been organized. And especially to those guidance counsellors who helped us keep our goals and dreams alive by helping us fill out those confusing computerized course selection sheets and our college and university applications.

Now what about this unique facility and boy do I mean unique. I ask you today, how many grown men do you know who would run around in pink tights just to raise money for the needed; who would sing his own old 50's tunes to a student body the size of SCITS; who could make history actually come alive before our very eyes; who is the best story teller in town; and lastly who would have the coolest tie collection in Lambton County (if not Canada)? You guessed it - our very own SCITS faculty. Mr. Burrow's proved to have great legs; Mr. Alexander made us appreciate our parents' music; Mr. Phillip's action packed history classes will always be remembered, Mr. Fillion, were your stories always true?, and well Mr. Sprenger we do love those amazing ties - do you think they will ever be in style. I would like to extend a very special heartfelt thank-you to those teachers who have helped us over some very rough times. Many of us here today would not have been able to reach our fullest potential without their extra help and encouragement. We really do thank-you.

And lastly but most importantly we as a graduating class would like to thank our parents for their love, support, encouragement and guidance and most of all for paying their taxes. They were there with us through the good times and those times we never thought we would make it. Their faith in our abilities never faltered even after seeing our Calculus and Chemistry marks. Looking down from our position on stage during a drama production or looking up from the gym floor to the stands and seeing the proud grins of our parents was always a very special thrill. Without their involvement in our daily lives we could have never accomplished this dream of graduating from high school. To all of you here today we thank-you.

When asked which school we attended we were able to say with great pride "I attend Sarnia Collegiate". This pride stemmed from the many wonderful experiences we had here at SCITS. Each one of us who is graduating here today is an individual with different dreams and ambitions. One of the unique qualities we have found here at SCITS is the opportunity to be an individual. Whether we strove to improve our academic standing, or our athletic abilities or our gifts for the trades we were all accepted for who we were. As our school motto says "We were reaching for our own stars". At this time I would like to congratulate those who have made SCITS proud of our athletic competitiveness and sportsmanship. We would also like to thank those coaches who took time out of their busy schedules to work and enhance the great potential so many in our class had. Congratulations to those graduating who make SCITS one of the best trade schools in the province and to those who studied hard to give SCITS the reputation of a great academic institution. And most importantly to everyone who has made SCITS the friendliest, most outgoing, and in my opinion the best school in the county.

As the graduating class of 1990 stands before you today we all have individual dreams and goals. These dreams may be to further our education at college or university, accept apprenticeships in our choice trade, enter the business world immediately or settle down and begin a family. Whichever direction our lives take us may we always remember the best years of our lives as being spent here at SCITS. On a personal note I would like to thank my friends and peers for their encouragement through the good times and the bad times and may we continue to strive together for our dreams of the future.

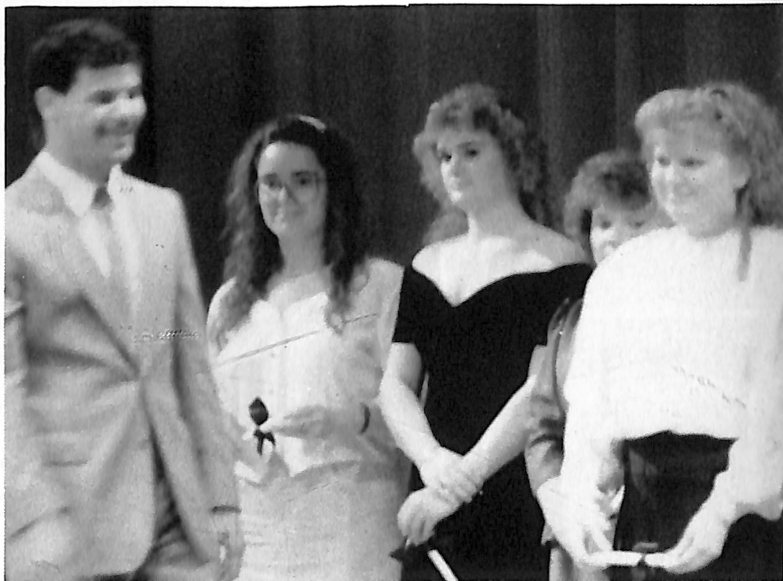

We leave here today always remembering that SCITS was not only a place to gain knowledge, to improve our athletic ability, or to meet new and interesting people but it is our home forever as we learned to dream and reach for our own stars here. May we always remember SCITS doors will be open to welcome us back.

I leave you today with one thought that I pray will be as much an inspiration to you as it has been to me. "I believe if you can imagine it you can achieve it. If you can dream it you can become it."

Thank-you and God Bless.

TRACK & FIELD

Over sixty dedicated athletes and six enthusiastic coaches made up this years team. 28 of those athletes had qualified for the WOSSA meet with the hopes of continuing on to Sudbury for OFSAA Gold. Highlight of the year was caputing our 4th straight St. Clair Field Title. Bomber Chucksters and Jumpsters continue the tradition.
The Coach

SCITS CHEERLEADERS — COMMUNITY SPIRIT IN ACTION

Once again this year, the Cheerleaders remained very busy in the community. The SCITS Cheerleaders have become well-known for helping many Sarnia charities. The United Way, Diabetes Association, Special Olympics, Heart and Stroke Fund, Salvation Army and Boys' Interval Home are only a few of the many organizations supported by the girls each year.

Coaches Comments: This year's Blue Bomber Team was a good team. Unfortunately we were never able to get a rhythm started. We lost our first game against the Lancers in overtime 16-14. We then had a bye the next week so it was two weeks until we played St. Clair and, although the team played well enough to win, we came up short 14-7. The season was then delayed three weeks by the teacher/board strike and when we finally played Northern we lost 4-1 and so ended the season for the Blue.

Coaches Farina, Hall, Jordan and Smith all felt that this was the best 0-3 team we have coached.

Best wishes to those graduating players and for those players returning we promise a better season next year.

Mr. L. Barnes

SENIOR GIRLS' BASKETBALL

Coaches Comments: The senior girls' team had an outstanding year highlighted by winning the Western Ontario Championship with wins over London, John Paul and St. Pats. This enabled the Bombers to participate in O.F.S.A.A. held at our school. The Bombers beat Mississauga and Toronto before being eliminated by Sudbury in a very hard-fought game.

During the season the girls finished in second place and lost the city final to St. Pats 39-37. They won the Western Purple and White Tournament and the Referees' Classic. The season was further highlighted by a trip to West Virginia and Hawaii. A great experience was had by all the players.

The SCITS RUNNERS enjoyed a successful cross-country season. The number of team members continues to grow. All team members worked hard and improved their times as the season went on. Although the season was interrupted, the team travelled to WOSSA on October 25. The Midget Boys' team of Brian Bois, Richard Chesher, Kevin Randall, Tim Heath and Dave Berry placed 5th overall at the WOSSA meet. This placed them the highest of any LSSAA school in this event. If you enjoy running, want to improve your fitness, and have fun all at the same time, come out next September and be a SCITS RUNNER.

JUNIOR GIRLS' SOCCER

Back: Amanda Horne, Ashleen Quinn, Janette McGinnis, Crystal Coffee, Dusty Vella, Violetta Suvajac, Shannon Spot, Tracy Brutton, Jenn Mooser. Front: Heather O'Brien, Kari Zink, Tanya Nesbit, Shelly Dowswell, Megan McCabe, Amanda Harmer.

Our soccer got off to a slow start with two losses to L.C.C.V.I. and to St. Pats and a tie against Northern. But that didn't get us down! With a determined Andy Cunningham in net and the forwards ready to strike, we posted 5 victories in a row to end the regular season in third place.

The semi finals had us up against L.C.C.V.I. again. In what proved to be a very exciting game, The Blue Bombers won in double-overtime! We were unable to defeat St. Pats in the finals but look forward to next year. All in all, it was an outstanding finale to a great year!

Principal's Message

It's a pleasure to have the opportunity to provide a message for this year's Ad Astra. As I write this, we have just completed the awards assembly, commencement and W.O.S.S.A. Girls' Basketball. The juxtaposition of academic prowess, athletic excellence and artistic creativity over the past couple of days represents S.C.I. and T.S. at its best. All these happenings require dedication, ability, teamwork enthusiasm and spirit. That's what we do best!

Congratulations on another great year; thank you for letting me share in it.
